Welcoming Words

Dr. Bani Kanta Baishya

Founder President, Doner Member, Governing Body
Pub Bongsor College, Pacharia

It gives me immense pleasure to welcome all the new comers to our College. It thrills my heart to think that the college established years before by the local community in such a rural landscape is now growing in a positive manner.

The relevance of humanities and social sciences is still increasing even in this post-modern world. In the global village of science and technology, fast communication and information, our students have to maintain the sensibilities of knowledge provided through the curriculum of their Bachelor of Arts course. I hope that our students will heighten the glory of this institution and will create a new horizon of its heritage.

I wish their successful academic life in our College.
